To Whom It May Concern,

This letter is to verify that Rowby Pierre has successfully completed a project in IST301 at University of North Carolina-Greensboro working with Microchip Technology Inc. This project consisted of developing Q&A and sentiment analysis for Microchip's website using Python and/or JavaScript.

For any questions, please contact me at 480-792-4504 or via email at Adriana.Lopez@microchip.com .

Thank you,
